LEAGUE DESCRIPTIONS - NO LIFTING IS ALLOWED AT ANY LEVEL!! ALL MATCHES ARE RALLY SCORED, "LET" SERVE IS LEGAL. IT IS VERY IMPORTANT THAT TEAMS PLAY IN THE CORRECT PLAY LEVEL!

Recreational - play is for "FUN", refs make appropriate calls, such as lifts and net, but show leniency in other calls and issue warnings to players w/ a reasonable chance to correct them. Tolerance for the beginner is expected, as this is the basic level and many learn to play the sport at this level. Setting the serve is **NOT ALLOWED** as well as downward hits (spikes)..

Intermediate - Teams use a setter, should attempt to involve three hits and play is geared toward players who like to play the game correctly and have a decent knowledge of the rules, but aren't out for the "kill", hard hitters should not be in this play level. Setting the serve is **NOT ALLOWED**

Power - Play is competitive, experienced players perform all skills; blocking, setting, passing and hitting. Teams know court coverage, can pass to setter consistently, strong hitters and servers. Rally scoring and let serve are used. Setting the serve **"IS" ALLOWED, but it must be a clean set (no double-contact or lift).**

Leagues start on Fri., July 14th - w/ each respective day starting this week and the next. *The league will run for 10 weeks, each team is guaranteed 9 games. Sometimes a "BYE" or doubleheader is necessary for the league, due to uneven numbers, etc. This is common practice in league formatting.*

All games are on a **revolving schedule**, meaning you will play at different times each week. We do our best to limit early and late games. As much as we'd like it, everyone can't play 7:30 and 8:30pm games only! **Leagues are subject to cancellation** or change due to lack of interest and many leagues will **FILL UP before the deadline** Please list 3 choices!

No special scheduling or reschedules will be allowed. Please be aware that unlike in the past seasons, no games will be rescheduled unless it is an "official reschedule by the business", keep this in mind and have several substitute players on your roster who are ready to fill-in. Please plan on extra players for your graduations, vacations and Royals games! No outside food or drink will be allowed on the premises, this includes the parking lot. No pets are allowed at Volleys. There is not an age limit for players, it is left to the individual team's discretion, although be aware these are "adult" leagues, not youth so play at your own risk. No tailgating.

All schedules will be available on Thurs., July 13th after 1:00pm. Schedules must be picked-up at the Belt Entertainment or follow Volleys FB where schedules will be posted in an album at <https://www.facebook.com/stjoevolleys> Questions call (816)233-1054.
